

HEALTH, SAFETY & ENVIRONMENT (HSE) POLICY STATEMENT

Digital Energy & Integrated Services Limited (DEISL) is committed to conducting its operations in a manner that protects the health and safety of employees, contractors, clients, and the communities in which we operate, while also safeguarding the environment.

Management recognizes that strong Health, Safety and Environmental (HSE) performance is essential to the success and sustainability of our business. We therefore commit to maintaining a safe and healthy workplace and preventing injuries, ill health, environmental pollution, and damage to property.

To achieve this commitment, DEISL will:

- Integrate HSE considerations into all business decisions, planning, and operational activities.
- Comply with applicable legal requirements, industry standards, and client HSE expectations.
- Promote a strong safety culture through awareness, training, consultation, and participation of all employees and contractors.
- Implement preventive measures and risk management practices to eliminate hazards and reduce HSE risks.
- Maintain safe equipment, facilities, and working conditions across all offices, workshops, and project locations.
- Encourage environmental responsibility, including waste reduction, resource conservation, and pollution prevention.
- Strive for Zero Harm, Zero Environmental Incidents, and Continuous Improvement in our HSE Management System.

All employees and contractors are responsible for complying with this policy, using provided safety equipment, and reporting unsafe conditions or practices.

This policy shall be communicated to all employees and stakeholders, displayed prominently at our facilities, and periodically reviewed to ensure its continued relevance and effectiveness.

Signed:

Simon Ugwoke
